## **DISCUSSION QUESTIONS**

1. What can you do to enhance your relationship with Jesus? Be specific and think of a plan to work on this relationship every day.
2. How has individualism affected your relationship with the community life of the church? How has isolation affected it? And consumerism?
3. What are two things that are indispensable for Christian living?
4. What happened to Isaiah before he felt the conviction of his call to go?
5. Who are you praying for that you can begin to plant the seed the Good News in? If you are in a group, share these names and relationships so that the entire group can begin praying over your harvest field.
